

Handy-type Electric Dispenser (Patent Pending)

# Toffutty

Toffutty Syringe × 20 (Option)

Compact / Cordless / Portable

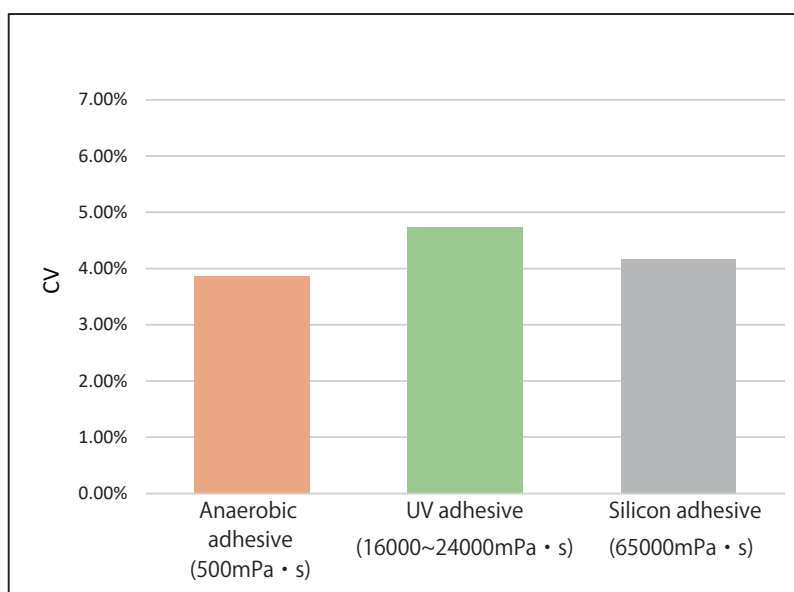

High precision and Easy operation

Direct dispensing mechanism without air

## ■ Specification

Outside dimension	H: 149mm , W: 22.5mm , D: 38mm
Weight	75g
Capacity	1,000 $\mu$ l (1cc)
Power	AAA battery (Ni-MH/Rechargeable)
Nozzle	General Taper nozzle are available
Viscosity	Under 20,000mPa·s
Repeatability (CV)	10% (1 $\mu$ l)
Syringe	Clear syringe (Material: Polypropylene) UV black syringe (Material: Polypropylene)

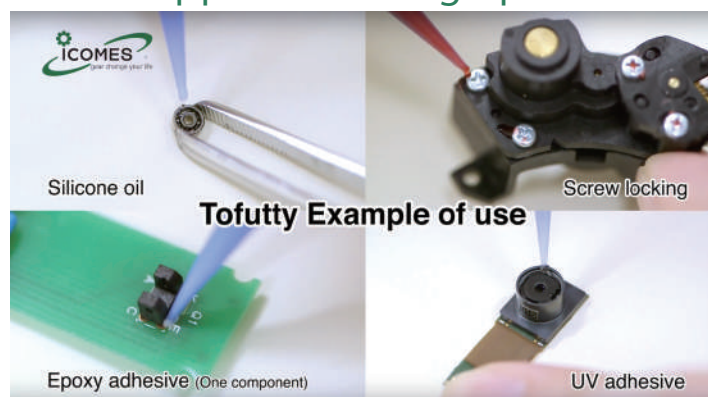

## ■ Comparison of dispensing repeatability

### Condition

※Taper Nozzle 20G  
Dispensing Volume : 1 $\mu$ l  
Suck-back : OFF

## ■ Various adhesives can be applied with high precision
